

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF NEW YORK

ANTHONY JOHN FOX,

Plaintiff,

- against -

BERMUDA REALTY NO. 2 LLC,

Defendant.

**COMPLAINT FOR INJUNCTIVE RELIEF
FOR DISABILITY DISCRIMINATION**

CASE NO.:

JURY TRIAL: ___ YES X NO

Plaintiff, ANTHONY JOHN FOX, by and through the undersigned counsel, hereby sues BERMUDA REALTY NO. 2 LLC (hereinafter, “Defendant”), for injunctive relief pursuant to the Americans with Disabilities Act, 42 U.S.C. § 12181, *et seq.* (hereinafter, the “ADA”) and the ADA’s Accessibility Guidelines, 28 C.F.R. Part 36 (hereinafter, the “ADAAG”) and the New York Civil Rights Law, and alleges as follows:

JURISDICTION

1. This Court has original jurisdiction over the action pursuant to 28 U.S.C. §§ 1331 and 1343 for Plaintiff’s claims arising under 42 U.S.C. § 12181, *et seq.*, based upon Defendant’s failure to remove physical barriers to access and violations of Title III of the ADA (see also, 28 U.S.C. §§ 2201 and 2202) and also jurisdiction under 28 U.S.C. §1367 for Plaintiff’s claims under the New York Civil Rights Law for disability discrimination.

PARTIES

2. Plaintiff is a resident of and resides within this judicial district in the Bronx, New York, is *sui juris*, and is disabled as defined by the ADA and substantially limited in performing one or more major life activities, including but not limited to walking, standing, grabbing, grasping and pinching. Plaintiff uses a wheelchair for mobility purposes. Plaintiff’s access to the Facility and/or full and equal

enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations offered therein was restricted and/or limited because of these disabilities, and will be restricted and/or limited in the future unless and until Defendant is compelled to remove the physical barriers to access and ADA violations which exist at the Facility, including those set forth in this Complaint.

3. Completely independent of Plaintiff's personal desire to have access to places of public accommodation free of illegal barriers to access, Plaintiff also acts as a "tester" on behalf of Plaintiff, and other persons with disabilities, for the purpose of discovering, encountering, and engaging discrimination against the disabled in public accommodations. When acting as a "tester," Plaintiff employs a routine practice. Plaintiff personally visits the public accommodation where Plaintiff knows or where it has been reported that illegal barriers to access exist; engages barriers to access that Plaintiff is able to access or has barriers reported, documented and/or photographed; and tests barriers to access to determine whether and the extent to which there are illegal barriers to access; proceeds with legal action to enjoin such discrimination; and subsequently returns to the premises to verify its compliance or non-compliance with the ADA and to otherwise use the public accommodation as members of the able-bodied community are able to do. Independent of other subsequent visits for personal reasons, Plaintiff also intends to revisit the premises to verify its compliance or non-compliance with the ADA, and its maintenance of the accessible features of the premises.

4. In this instance, Plaintiff, individually and for personal reasons, and also as a "tester," visited the Facility, encountered barriers to access at the Facility, and engaged and tested those barriers, suffered legal harm and legal injury, and will continue to suffer such harm and injury as a result of the illegal barriers to access and Defendant's ADA violations set forth herein.

5. Plaintiff has suffered and continues to suffer direct and indirect injury as a result of Defendant's actions or inaction described herein.

6. Defendant transacts business in this judicial district. Defendant is the owner, lessee, lessor and/or operator of the real property and improvements which are the subject of this action, commonly referred to as Atlantic Plaza, located at or about 1720 Atlantic Avenue, Brooklyn, NY 11213 (hereinafter, the “Facility”).

COUNT I: VIOLATION OF THE ADA

7. Plaintiff relleges and reavers all prior allegations as if set forth in full herein.

8. On July 26, 1990, Congress enacted the Americans with Disabilities Act (hereinafter, the “ADA”), 42 U.S.C. § 12101, *et seq.*

9. Congress found, among other things, that:

- (i) some 43,000,000 Americans have one or more physical or mental disabilities, and this number is increasing as the population as a whole is growing older;
- (ii) historically, society has tended to isolate and segregate individuals with disabilities, and, despite some improvements, such forms of discrimination against individuals with disabilities continue to be a serious and pervasive social problem;
- (iii) discrimination against individuals with disabilities persists in such critical areas as employment, housing public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and access to public services;
- (iv) individuals with disabilities continually encounter various forms of discrimination, including outright intentional exclusion, the discriminatory effects of architectural, transportation, and communication barriers, overprotective rules and policies, failure to make modifications to existing facilities and practices, exclusionary qualification standards and criteria, segregation, and relegation to lesser service, programs, activities, benefits, jobs, or other opportunities; and,
- (v) the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our free society is justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and nonproductivity.

42 U.S.C. § 12101(a)(1) - (3), (5) and (9).

10. Congress explicitly stated that the purpose of the ADA was to:
 - (i) provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;
 - (ii) provide a clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and,
 - (iii) invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced day-to-day by people with disabilities.

42 U.S.C. § 12101(b)(1)(2) and (4).

11. The congressional legislation provided places of public accommodation one and a half years from the enactment of the ADA to implement the requirements imposed by the ADA. The effective date of Title III of the ADA was January 26, 1992, or January 26, 1993 if the defendant has 10 or fewer employees and gross receipts of \$500,000 or less. 42 U.S.C. § 12181; 28 C.F.R. § 36.508(a).

12. The Facility is a public accommodation and service establishment.

13. Pursuant to the mandates of 42 U.S.C. § 12134(a), on July 26, 1991, the Department of Justice, Office of Attorney General, promulgated federal regulations to implement the requirements of the ADA. 29 C.F.R. Part 36. Public accommodations were required to conform to these regulations by January 26, 1992 (or January 26, 1993 if the defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181, *et seq.*, and 28 C.F.R. § 36.508(a).

14. The Facility must be, but is not, in compliance with the ADA and ADAAG.

15. Plaintiff has attempted to and has, to the extent possible, accessed the Facility, but could not do so because of Plaintiff's disability due to the physical barriers to access, dangerous conditions and ADA violations that exist at the Facility that preclude and/or limit Plaintiff's access to the Facility and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

16. Plaintiff intends to visit the Facility again in the near future in order to utilize all of the goods, services, facilities, privileges, advantages and/or accommodations commonly offered at this Facility, but will be unable to do so because of Plaintiff's disability due to the physical barriers to access, dangerous conditions and ADA violations that exist at the property that preclude and/or limit Plaintiff's access to the Facility and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

17. Defendant has discriminated against Plaintiff and others with disabilities, by denying access to, and full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the Facility, as prohibited by 42 U.S.C. § 12182, *et seq.*, and will continue to discriminate against Plaintiff and others with disabilities unless and until Defendant is compelled to remove all physical barriers that exist at the Facility, including those specifically set forth herein, and make the Facility accessible to and usable by persons with disabilities, including Plaintiff.

18. Defendant has discriminated against Plaintiff by failing to comply with the above requirements. A specific, although not exclusive, list of unlawful physical barriers, dangerous conditions and ADA violations which preclude and/or limit Plaintiff's ability (because of Plaintiff's disability) to access the Facility and/or full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the Facility, include:

25. Plaintiff relleges and reavers all prior allegations as if set forth in full herein.

26. deny] such person any of the accommodations, advantages, facilities or privileges thereof N.Y. Exec. Law Section 296(2)(a).

27. For the purposes of the foregoing paragraph, "discriminatory practice" includes:

- A. A refusal to make reasonable modification in policies, practices or procedures, when such modifications are necessary to afford facilities, privileges, advantages or accommodation to individuals with disabilities, unless such person can demonstrate that making such modifications would fundamentally alter the nature of such facilities, privileges, advantages or accommodations;
- B. A refusal to take such steps as may be necessary to ensure that no individual with a disability is excluded or denied services because of the absence of auxiliary aids and services, unless such a person can demonstrate that taking such steps would fundamentally alter the nature of the facility, privilege, advantage or accommodation being offered or would result in an undue burden; and
- C. A refusal to remove architectural barriers, and communication barriers that are structural in nature, in existing facilities....., where such removal is readily achievable.....N.Y. Exec. Law Section 296(2)(c).

28. Pursuant to N.Y. Exec. Law Section 297(9), "Any person claiming to be aggrieved by an unlawful discriminatory practice shall have a cause of action in any court of appropriate jurisdiction for damages."
